

SEEING RED SKILLED TRADES SCHOLARSHIP

EMPOWERING INDIGENOUS FUTURES IN SKILLED TRADES

In partnership with Grand River Employment and Training

About the Scholarship

Unlock Your Potential in the Skilled Trades

Are you an Indigenous person looking to build a rewarding career in the skilled trades? Seeing Red and Grand River Employment and Training is here to support your educational journey at **Skilled Trades College**.

This scholarship aims to break down financial barriers and empower Indigenous students to gain the skills and knowledge needed to thrive in high-demand trades.

Skilled Trades College of Canada (STC) was established to provide vocational training to individuals looking to begin a career in the skilled trades industry, focusing on safety, theory, and practical experience in simulated work environments. We are dedicated to offering hands-on certification programs to meet the increasing demand for skilled labour in Canada. STC offers programs in: **Electrician Pre-Apprenticeship, Plumber Pre-Apprenticeship** and **Intro to Home Renovations Program** out of their **Cambridge Campus**.
